	On Public Property	0	0	0

Disciplinary Referrals: Liquor Law Violations	On Campus	0	8	11
	In Residence Hall	0	8	11
	In or on a non-campus building or property	0	0	0
	On Public Property	0	0	0

Hate Crimes: There were no hate crimes for the years 2020, 2021, and 2022.

Unfounded Crimes: There were no unfounded crimes for the 2020, 2021, or 2022 years.

Note: Statistics included in this report are provided by the Olathe Police Dept. and reports made to MidAmerica Nazarene University's Campus Safety Department.

Note: The following caveat is in reference to the entire statistical data disclosure section for the years, 2020, 2021, and 2022: *Reported crimes may involve individuals not associated with MidAmerica Nazarene University.*

HIGHER EDUCATION OPPORTUNITY ACT CAMPUS FIRE SAFETY ANNUAL COMPLIANCE REPORT

Overview

The Higher Education Opportunity Act (Public Law 110-315) became law in August 2008. It requires all United States academic institutions to produce an annual fire safety report outlining fire safety practices, standards, and all fire-related on-campus statistics. The following public disclosure report details all information required by this law as it relates to MidAmerica Nazarene University.

Annual Fire Safety Report for Student Housing Facilities Olathe (Main) Campus

Statistics and Related Information Regarding Fires in Residential Facilities for Calendar Year 2020

On-Campus Residential Halls	Total Fires in Each Building	Fire Number	Cause of Fire	Number of Injuries That Required Treatment at a Medical Facility	Number of Deaths Related to Fire	Value of Property Damage Caused by Fire

Description of Student Housing Fire Systems

MidAmerica Nazarene University has a total of nine (9) on-campus student housing facilities. Each facility is equipped with fire detection systems, including smoke and heat detectors, and pull box stations. Each building is equipped with a fire alarm panel that triggers a full first alarm response from the Olathe Fire Department upon activation. The main panel, located in the Campus Safety office, is also activated in the event of a residential hall alarm. Alarm Central/Kennyco monitors the entire fire safety alarm system on campus and during an actual alarm, notifies both the Olathe Fire Department and the Campus Safety & Security Department.

Fire Alarm Drills

The Department of Campus Safety & Security conducts two (2) mandatory fire evacuation drills per calendar year. In order to test the fire alarm system and observe student and staff behavior, the University conducts fire evacuation drills once per semester. The drills are supervised by the Campus Safety & Security Department with the assistance of Residential Educators. The drills

are conducted by activating each individual fire alarm system in each on-campus residential hall facility.

Fire Safety Systems in Residential Facilities & Fire Drill Chart

Facility	Fire Alarm Monitoring by KennyCo (off-site) & MNU Campus Safety & Security (on-site)	Fully Auto Sprinkled	Smoke Detection	Fire Extinguisher Devices	Evacuation Plans & Placards	Number of Evacuation (Fire) Drills Each Calendar Year
Colony West Hall 801 S. Lindenwood Dr.	X	X	X	X	X	2

Stockton Hall 1920 E. College Way	X	X	X	X	X	2
Uphaus Hall 1910 E. Pioneer Blvd.	X	X	X	X	X	2

Fire Safety Inspections

Fire Safety Hazard inspections are conducted daily in all campus buildings by Campus Safety & Security Officers. A daily log is maintained by the Department of Campus Safety & Security and is available for review. In addition to the daily Fire Safety Hazard inspections, the following fire safety inspections are conducted by outside sources for the University.

1. The City of Olathe Fire Department conducts two (2) inspections per year to check all fire extinguishers for proper posting and charge.
2. Kennyco conducts an annual inspection of fire and smoke-detectors in all campus facilities. They also perform a monthly test of tamper switches, flow switches, and batteries. Bell Cultural Events Center and Spindle Hall have quarterly inspections on these items.

3. Keller Fire and Safety conducts two (2) inspections per year and test the Dining Facilities kitchen hoods and fire suppression systems.
4. Flame Out Fire Extinguisher Company conducts an annual inspection on all fire extinguishers located within the campus buildings. Inspections include the testing of extinguishers and replacement if needed.
5. Jayhawk Fire Sprinkler Company performs an annual test and inspection to wet pipe sprinkler systems and standpipes at Cook Center, Bell Cultural Event Center, Draper, Ramsey and Spindle. They also recommend repairs that are needed.

Fire Log

The Department of Campus Safety & Security maintains a combined Daily Crime and Fire Log of all incidents reported. This Daily Crime and Fire Log includes the incident type, date incident is reported, date and time of occurrence, and the general location of each reported incident, as well as the disposition of the incident, if this information is known.

The Daily Crime and Fire Log is available at the Campus Safety & Security office in the Land Gym from 8 a.m. to 4 p.m. Monday through Friday (except holidays). To protect an ongoing criminal investigation or the identity of a victim, the Director of Campus Safety & Security or a designee may classify information as “confidential” and prohibit its release.

Fire Safety Policies

Current student policy states that under no circumstances, should a student tamper with existing electrical equipment such as lighting, wiring, or switches. It is a misdemeanor to disable or remove any safety device, such as fire extinguishers, fire or smoke alarms, exit lights, emergency lights and fire doors. These offenses may be prosecuted by the Fire Marshall as well as the University. These are civil offenses and will be treated as a serious disciplinary violation.

In addition, Residential Life has adopted and issued the following fire safety practices and rules.

- **Portable Electrical Appliances**

Permissible electrical appliances include microwaves and appliances without open coils. Students may bring small (4cu. Ft. or less) refrigerators but are subject to a safety check.

Coffee makers, computers, stereos, televisions, radios, irons, non-commercial hairdryers, and other similar appliances are permitted, unless specifically prohibited by the staff.

Caution: “We strongly recommend the use of surge protectors. Caution should be taken to prevent fire hazards resulting from excessive use of appliances and over dependence on power strips and extension cords”.

- **Flammables**

Due to safety concerns, burning candles, incense, and other open flames are strictly prohibited. Fire or smoke producing articles, such as Bunsen burners, portable stoves, kerosene lamps, cut trees, barbeque grills, or other fire starting devices are also prohibited in residences, indoor residential areas, or adjacent outdoor space without staff supervision and approval.

- **Smoking**

The University prohibits the use or possession of all tobacco products and paraphernalia on campus. Violation of this policy by a student could result in a fine and may result in other disciplinary sanctions.

Fire Safety Reporting

In the event of a fire, the following notification procedures should be followed.

1. Resident Educator, Resident Assistant, or student pulls fire alarm, notifies the Campus Safety & Security Department
2. The Campus Safety & Security Department notifies the Olathe Fire Department and Director of Campus Safety & Security.
3. Director of Campus Safety & Security notifies the Vice President/Chief Financial Officer and Dean of Residential Life.
4. Vice President/CFO will notify the University President, if necessary.

When a fire is discovered, the resident or staff member who first discovers the fire should pull the internal fire alarm. The internal fire alarms are monitored by Alarm Central/Kennyco and they will notify the Olathe Fire Department and the Campus Safety & Security Department. Campus Safety should also get a call from the resident or staff member reporting a fire. The Olathe Fire Department and Campus Safety & Security officers are then dispatched to the scene. The Olathe Fire Department has control over all emergency situations, and in the event of an actual fire, the OFD has direct control over the situation. The Director of Campus Safety & Security should arrive at the scene and assess the situation. The Director is responsible for notifying the Vice President/Chief Financial Officer. If necessary, the Director of Campus Safety & Security will then notify other key individuals under the direction of the Vice President/CFO.

The University is required to disclose each year statistical data on all fires that occurred in on campus student housing facilities. When a fire alarm is pulled and/or the fire department responds to a fire, these incidents are captured. However, there may be instances when a fire is extinguished quickly and an alarm is not pulled or a response by the fire department was not necessary. It is important that these incidents be recorded as well. Therefore, if you are aware of such a fire, see evidence of one or hear about one, you should contact the following person:

- Richard Pacheco
Director of Campus Safety & Security
2030 E. College Way- Land Gym Building
rypacheco@mnu.edu
913-971-3293
- **The Department of Campus Safety & Security**
2030 E. College Way- Land Gym Building
cpolice@mnu.edu
24 Hours (913) 971-3299

When notifying one of these individuals as much information as possible about the location, date, time, and cause of the fire should be provided.

Building Evacuation Policy and Procedure

University policy requires immediate building evacuation by occupants during fire alarms. To help reinforce this requirement, the Department of Campus Safety & Security has partnered with the staff of Residential Life to ensure that all building residents are properly trained in building evacuation procedures.

In case of any fire or fire alarm in a residence hall, staff members and residents should respond quickly and calmly. Staff members should immediately begin evacuation procedures for the entire building, and initiate evacuation plans for occupants with disabilities or special needs. All students shall immediately evacuate the building and go to the designated staging area or to a common collection point upwind from the building. Students are not allowed to re-enter the building until the Olathe Fire Department Personnel or Campus Safety & Security Officer authorizes them to do so.

The following fire alarm responsibilities and evacuation procedures are listed below:

Campus Safety & Security:

1. Respond to the reported location.
2. Confer with the RE, or an RA, regarding what the actual event is (fire or a false alarm).
3. If it is evident to an officer there is no fire, the alarm will be silenced.
4. If fire is reported to be active in a building:
 - a. Call 911 immediately to let them know we have an active fire, then notify the Director of Campus Safety & Security immediately.
 - b. No one will be allowed to enter the building – including Safety Officers.
 - c. Clear and secure the area near the burning building.
 - d. Give “exterior alerts” around the building.
 - e. Await the arrival of OFD personnel and assist as requested.
 - f. Receive a list of missing persons and their room numbers from the RA’s and/or RE’s and the assistants.
 - g. Provide the list of missing persons and their room numbers **IMMEDIATELY** to the Fire Department’s incident commander.
 - h. Once an “all clear” has been issued by the Olathe Fire Department, **AND** once the fire department has authorized residents to return to the building, they may be released to do so.

Resident Educators:

1. **Primary Responsibility** – Observe the progress of residential assistants and provide assistance as needed.
2. Ensure RA's are controlling their hall's residents, that each is separated, and that RA's are accounting for their residents.
3. If your dorm uses a check-out log, it should be taken to the assembly points and used to determine if missing residents have checked out.

Resident Assistants:

1. Do **NOT** place yourself in peril. If you cannot safely check your hall, exit the building immediately.
2. Only if safe, check each room on your hall to ensure no one remains in the building.
3. If you open a door to check a room, be certain to close it before proceeding to the next one.
4. Move to your hall's pre-arranged assembly point.
5. Take an immediate census to determine who is not present.
6. If possible, check the missing persons against check out log.
7. Assign a hall resident to take a **WRITTEN** list of the names of the missing and their room numbers to the Campus Safety & Security Officer.
8. Keep your residents together and direct them as you are instructed to do.
9. Do **NOT** return to your building until the Olathe Fire Department or the Campus Safety & Security Department directs you to do so.

Fire Safety Education

Students receive the majority of their training from the Residential Life Staff and the Olathe Fire Department at the start of each academic year. The Olathe Fire Department meets with all new and transfer students for fire safety education. They also set up and perform a dorm room burn to promote understanding of fire safety and how quickly a fire can spread. In addition, the Olathe Fire Department meets with the Resident Educators and Assistants for fire safety training at the beginning of the year.

Students residing at MidAmerica Nazarene University residence halls are provided training and information that will enable them to prevent, escape, report, or handle any fire emergency within the residence halls. The training is mandatory and they are provided with information regarding their floor, their building as well as fire safety, and the University policies and procedures. Immediately upon moving into a hall, students are shown the location of pull stations, fire safety equipment, extinguishers, and fire evacuation routes from buildings.

Once per semester dormitory fire drills are performed. These are timed drills and performed to observe student behavior. The drills also serve as an educational tool to allow the Department of Campus Safety & Security to educate the Residential Educators, Residential Assistants, and students in proper evacuation drills and response to fire alarms.

Fire safety education programs and information are available through the Olathe Fire and Rescue Department at 913-971-6333.

Plans for Future Improvements

All MidAmerica Nazarene University buildings meet or exceed the city of Olathe's fire safety requirements. The University continues to work closely with the Olathe Fire Department and other outside sources by following their recommendations for future improvements to bring our buildings above, or beyond current requirements. There are no current improvement projects at the moment. However, the Department of Campus Safety & Security will also strive to develop further Fire Safety educational programs to keep our faculty, staff, and students safe.
