Community Teaching Faculty

Academy Teaching Candidates

To be determined

Teaching Faculty Levels and Qualifications:

- Professional MNU Faculty - MNU Adjunct Faculty members have undergone the hiring process and standards to teach at the college level and are qualified to teach applied lessons at MNU. Qualifications include at least a masters level education or similar tested experience in performance in their applied area.
- Community Teaching Faculty – Instructors hired to teach for Community Arts Academy (CAA) have at least a bachelor’s degree in music and/or tested experience in performance for their instrument.
- Academy Teaching Candidates – MNU students studying music in one of MNU’s Music degree programs are qualified to teach if they have at least one full year (two semesters) of full-time music major status and a recommendation from two MNU faculty members.
- Background/social media checks and Community Arts Academy training are required for instructors of all levels.
- MNU adjunct and part time faculty, Community Teaching Faculty, and Academy Teaching Candidates may ONLY teach lessons at MNU through the CAA. There is no restriction on teaching lessons anywhere off-campus but they may not do so as a MNU representative.

Scholarships and Financial Assistance

While MNU does not offer financial assistance for Community Arts Academy (CAA) participation, personnel may be able to offer guidance to community resources. Currently we do not have a system for scholarships or financial assistance for students in need. We are hoping to provide options in the future. Organizations like Band of Angels provide assistance for services like this from time to time. Consider consulting your school director or teacher for more help.

Bell Center Hours and Use for Community Arts Academy

The Bell Cultural Events Center is available to non-MNU students only during authorized lesson times organized between the CAA lesson teacher, Bell Center management, and Department of Arts and Humanities. Typically, CAA lessons will occur between 4-9pm, Monday through Friday, and 10am-2pm on Saturdays. Specific lesson times will be communicated from the applied teacher to each student.

The policies for use of practice facilities are as follows:

1. Food and drink (except water) are not permitted in the practice rooms.
2. Practice rooms should be left in a neat condition for the next person, regardless of the condition in which they were found.
3. Practice rooms are intended for practicing and lessons, not for any other purpose – including eating, socializing, or other activities not permitted on campus.
4. Practice rooms may not be used as storage spaces. Students and teachers are to take all personal belongings with them when vacating the practice room. If items are left unattended for an extensive length of time, they will be removed. Personal belongings left unattended are not the Department's responsibility. If instrument storage space is needed, please refer to the instrument storage policy in this handbook.
5. **Practice Room Piano Usage.** The following basic rules govern the use of pianos:
 - a. Place nothing on a piano except music or a metronome.
 - b. If a piano is found damaged in any way, please inform the Department Administrative Coordinator.
 - c. Do not move or adjust the position of pianos.
 - d. Remember: The pianos are highly valued instruments. All must assume responsibility for keeping them in the best condition possible.
6. Lessons at MNU are only permitted through the Community Arts Academy. No private arrangements for lessons may occur for adjunct faculty, community teaching faculty, and academy teaching candidates.

Jones Instrumental Rehearsal Room

The Bell Center Manager must preapprove any use of Jones Instrumental Rehearsal Room. Percussionists may have lessons in this space from time to time as necessary and approved by Bell Center Coordinator and/or the Director of the CAA/A&H Department.

Smith Keyboard Lab

This lab will remain locked except for regularly scheduled classes. Students should practice on pianos in practice rooms in the Halvorson Practice Complex. Future piano classes may take place here.

Instrument Storage

No instrument storage will be available for non-MNU students.

MNU Equipment Usage

No instruments will be available for use for non-MNU students except for percussion instruments as permitted and arranged by lesson teachers with the Director of Bands and Bell Center Management.

Copyright Guidelines (adapted from Federal Copyright Law)

The following are expressly prohibited:

- Copying to avoid purchase
- Copying music for any kind of performance
- Copying without including copyright notice
- Copying to create anthologies or compilations
- Reproducing material designed to be consumable such as workbooks, standardized tests and answer sheets
- Charging students beyond the actual cost involved in making copies as permitted

What is acceptable without having secured prior permission:

- Emergency copying to replace purchased copies which for any reason are not available for an imminent performance provided purchased replacement copies shall be substituted in due course.
- For academic purposes other than performance, multiple copies of excerpts of works may be made, provided that the excerpts do not compromise a part of the whole which would constitute a performable unit such as a section, movement, or aria but in no case more than 10% of the whole work. The number of copies shall not exceed one copy per pupil.
- Printed copies which have been purchased may be edited OR simplified provided that the fundamental character of the work is not distorted or the lyrics, if any, altered or lyrics added if none exist.
- A single copy of recordings of performance by students may be made for evaluation or rehearsal purposes and may be retained by the educational institution or individual teacher.
- A single copy of a sound recording (such as a tape, disc or cassette) of copyrighted music may be made from sound recordings owned by an educational institution or an individual teacher for the purpose of constructing aural exercises or examinations and may be retained by the educational institution or individual teacher. (This pertains only to the copyright of the music itself and not to any copyright which may exist in the sound recording.)

General Guideline – if in doubt, DO NOT COPY!

Community Arts Academy

Offerings and Policies

Ensembles and Classes

The CAA is committed to offering a variety of ensembles and classes to meet its mission. These possibilities include guitar class, piano class, drumming circle, Special Needs Music Therapy group sessions, community choir, community band, etc. Currently no ensembles or classes are planned for this first semester. Currently these are just ideas as we begin our program. Offerings will be updated on the website for the public each term.

Applied Lessons

Most lesson rate plans receive thirty minutes of private weekly instruction for 15 lessons over the course of the term. Hour lessons are only by instructor recommendation and receive sixty minutes of private weekly instruction for 15 lessons per term. Rates will vary for lessons depending on the qualifications of the instructor (see page 9).

Registration & Attendance

Registration commits the student for the entire term (generally 15 lessons over the semester). Your registration reserves your teacher's time during the year at that specific time each week, regardless of student non-attendance, vacation, field trips, school music obligations, sports, etc. Cases of extended illness or familial obligations will be handled on an individual basis.

A non-refundable registration fee of \$25 is assessed once per semester per student upon enrollment for up to three (3) family members. Any additional family members will be assessed a \$10 fee.

Regular attendance is expected.

Students who are late for a lesson cannot be guaranteed their full lesson time. Faculty are instructed to wait for a student for one third of the lesson time before starting another lesson or leaving.

As a courtesy, please notify instructor 24 hours in advance of any absence. If you are unable to connect with your instructor, please notify the Bell Center Office 913-971-3441

Make-Up Lesson Policy

Student Absence: If a student must miss a private lesson, please contact the teacher 24 hours in advance, if at all possible. The teacher and student will then need to find a time to make-up the lesson at the earliest convenience. The student WILL be charged for the missed lesson. The student WILL NOT be charged for the make-up lesson. The student has one month to make-up the lesson. After one month, the lesson will be forfeited. If a student misses a private lesson and no contact was made with teacher 24 hours in advance the student will be charged for this lesson and no make-up lesson will be required.

Teacher Absence: In the event that an instructor cancels a lesson or class, a make-up lesson will be offered at a mutually convenient time. The instructor is required to offer two reasonable make-up date alternatives.

Weather and other cancellations: THREE snow days per student, per year, will be made up. Please note that snow days occur only when the school closes due to inclement weather.

It is the instructor's responsibility to find a mutually agreeable time to make-up a lesson that is due to weather cancellation and is arranged between the teacher and student.

Students who withdraw forfeit any make-up lessons they are owed.

Students who are unable to attend lessons/classes due to a long-term medical issue (3 or more consecutive weeks) may submit a written notification to CAA for consideration of a credit/refund for lessons/classes missed within the relative semester.

Student Withdrawal Process

If a student desires to withdraw from private lessons, or if a teacher determines that it would be in the students' best interest to discontinue lessons, a notice of withdrawal must be made in writing (via email) to the Bell Center office with a 2-week notice. All accounts must be reconciled and paid in full and all lesson books must be returned to teacher.

Termination Of Lessons

Community Arts Academy reserves the right to dismiss any student because of frequent absences, tardiness, or disruptive or injurious behavior.

Lesson Renewal: All CAA students must re-enroll on a yearly basis.

Emergency Closing

Notification of CAA closure due to weather or other situations will be provided via email, our emergency alert system, RAVE, and a notice posted on the CAA Facebook page and Instagram account. If an individual teacher cancels, he/she will contact students directly by phone and/or email. Do not assume that CAA is closed based on public and private school cancellations. To receive emergency communications and other important information via text and email through RAVE, register online at getrave.com/login/mnu.

Student Safety and Parental Responsibility

The Community Arts Academy considers the safety of our students a top priority. Parents are solely responsible for their child's safe arrival at the school and for picking them up at the end of the lesson. Instructors and staff are not able to supervise children before and after lessons. Parents are responsible for supervising young children in MNU hallways, waiting areas and bathrooms as a courtesy to instructors and other students. Parents are responsible for picking up their children promptly after lesson time. Neither instructors nor staff are responsible for supervising children outside of teaching time. Students enrolled in CAA are required to have a current waiver on file each year.

Required Waivers

Community Teaching Faculty are required to complete a waiver while offering programming on the MNU campus. Students taking lessons are required to complete a media release waiver as a part of their annual registration. An online link to the waiver will be provided as part of the registration process.

Payment Policies

CAA tuition is charged on a semester or term basis. Invoices will be sent at the beginning of the term to the preferred family email. The balance of the account is due upon receipt of the invoice, however a monthly payment installment may be elected.
